

Happy Holidays.

*Jingle bell
Jingle bell
Jingle rock
Jingle bells swing and
jingle bells ring
Snowin' and blowin' up
bushels of fun
Now the jingle hop has begun
Okay.
Jingle bell, jingle bell,
jingle bell rock
Jingle bells chime in jingle
bell time
Dancin' and prancin' in
Jingle Bell Square
In the frosty air
What a bright time, it's the right time
To rock the night away...*

[This letter set's many impressions].

EG:

A sample text (Normal) is me - aka - Sanjay.

A sample text (Italian) is you - aka - Niriksha.

A sample text (Underlined) is angels around my shoulders.

This letter needs to be perfect.

Why is that?

This is for my love...

Who is she?

Her name is Niriksha. We have been seeing each other and I haven't exactly told her yet but she is the one.

That's fantastic, I've been rooting for you and her to get together for months.

What how do you even know who she is?

Because you have a tell on your face. Everytime you take her name, you smile.

I'm so happy for you.

Why do I get the sense there's something else?

Nothing, It's her parents. They aren't so crazy about me. I'm not sure what to do.

Look, you may rub some people the wrong way, but you have a generous heart.

Go to them, make some kind of gesture.

I'm sure it'll work out.

What if it doesn't?

Then have them call me.

I'll tell them my unbiased opinion about what an amazing man you are.

Apparently, she's impossible to please.

Is that so?

YES...

Well, why her?

This girl could make my life.

I need her more than anything.

Gotcha ?

You're not going to tell her what I said, are you?

That she's difficult and impossible to please?

Here's to hoping, let's start.

So this year, for the first time ever, I got a special one in Christmas. And I got her this lamp, which I know we really need, so she can video call me at night. But I'm also going to stuff it with some inside jokes, which will really make her laugh. Not sure why. What else .. ooh. And some books to read at the leisure later time. [holds up a memory in my heart]... This would take a little too long to explain, so I won't.

And this the letter. Because Christmas is the time to tell her how you feel.

So, angels, I'll catch up with later.
I wanna surprise her.

Morning, my love...
Want some juice or a cup of coffee?
Ah, I got it for myself only. How selfish of me.

Maybe it's time to settle down at one place.
I may be parroting my concerns, but... I think of you as my own.
But I enjoy not having my future mapped out for me..
Holiday traditions unite family and friends.
Food, lights and smiles brings back memories, brings people together too.
I wait all the year for this time of the month.
It's like my favorite guilty pleasure when it's December & I'm in town .
Where you're for the rest of the year?
Everywhere and nowhere.

I'm a developer.
Interesting?
Nope...
My managers finds me work all over the products.
One day it's product A, the next it's a product B & then it's a product tech launch
every months.
Bla, bla, bla.
Trust me,
it's far from glamorous.
It's long hours, and I'm at the same place for a year, so maintaining friendships....
It can be difficult at times.
So how did you get into this?
Uh, it started as a favor for a friend's app and it grew from there.
I really love writing,
I want to do more of that.
But it doesn't really pay me anything, there's not a lot of work, too.

Truth is, this isn't really my area of expertise.
I figured as much.

But I do have a super secret seasoning to impress her.

Super secret? Do tell.

The secret is in the blend, and that, I will never tell.

Here,

Sometimes, it's nice to just slow down.

I tend to worry about the future so much.

I have to remind myself to just be here in the present moment.

It's one of the first things

I learned in life.

To just stop and look, so I can really see.

That's actually good advice.

Sometimes I'm so focused on building my career, I forget why I got into it in the first place.

Why did you?

For my love & keeping her close.

Can I see her?

Here.

Beautiful...!!!!

She is...!!!

It's so beautiful here.

Especially during Christmas.

It really is.

Leading the next year with her.

Me and her was strictly a professional relationship.

Even if I was interested, which I was & I'm, she lived her life out of a suitcase.

So? People make long-distance relationships work all the time.

Okay, but if you're not on the same page or in the same place, it can only end in heartbreak.

Well I'm not gonna string her along with a bunch of empty promises.

Uh, she's a trust-fund baby and I've been working since I was 19.

If I fail, I lose everything.

There's no safety net.

But Uh, you're not going to fail.

That is the goal.

Even if I have to attempt it 100 times, I will get it right.

Well, I really hope it doesn't take that many times.

Yeah, that's why
I bought that vacation, that plane ticket.
I felt like I had to get out before I got trapped.
Well, I have a great career doing what I do.
I understand not wanting to give that up.
I loved it in the beginning, when I was caught up in the excitement of that kind of
life.
But now, no so much...

Enough about me. It's about her now.
Look, please do not stress about anything next year.
I'm gonna be with you every step of the way, I promise.

Look, I've met a lot of people in my life, and you are definitely one of the most
impressive.
And ...

23rd Dec, 2023.
Good evening. Good evening...
Hope, you had a pleasant year.

Well, I've spent most of my life trying to find meaning through a keyboard.
But this last year has opened my eyes to the real differences that I make in each
other lives every day.
I've been privileged to play my small part in your life this year's Christmas and I am
very happy to say that I will be taking a more active role in next year's Christmas
too.
And who knows what the future holds?

There's something that I have wanted to tell you for a long time now.
I hope it's the same thing you have been wanting to tell you.
Sannu...
You're fired.

Sannu, I don't know what I would do without you.

*And I never want to find out.
I love you, my love.
I'd say welcome to the family, but you've always been a part of it.*

*Sannu, I used to worry a lot about who I'd be when I grew up.
You know,
like how much money I'd make or...
Someday I'd become some big deal.
Sometimes the thing you most want doesn't happen.
And sometimes the thing you never expect to happen, does.
Like giving up my job and everything,
and deciding to stay and apply to new jobs.
I don't know.
You meet thousands of people, and none of them really touch you.
And then you meet one person, and your life is changed forever.*

*[I look up and meet my girl eye's. She smiles back at me]... In my heart, I did felt
that I got the one who gives my life meaning.*

Hey, Universe. This is for you...

*I really appreciate everything you've done for me.
But I just realized that I want to do something more meaningful with my life.
I want to spend my days with people I care about, who care about me, too.*

*I'm staying.
Is about her???
Yeah. Yeah, it is.
I hope she's worth what you'd be giving up.
She's worth what I'd be gaining.
True love always is.*

*Sannu, I think this universe is playing matchmaker.
What about the big event?
That's your career on the line.
Not anymore.
This is my home.*

And over the last year, someone very special to me has shown me life through a new lens.

*And I'm never gonna look back.
So, you're sticking around me for a while?
Yeah, I think I'm.*

Does that sound good to you? It should.

*Much love,
REGARDS,
Sanjay.*

*Merry Christmas, Love..
Merry Christmas.*
