Diploma in Computer Technology SSC	Vidyavardhini's Bhasaheb Vartak Polytechnic College.	2015	78.29
	Holy Paradise High School.	2012	82.54

## EMPLOYMENT HISTORY

### # 01: NUCSOFT Ltd. ( 1.6 years)

#### SOFTWARE ENGINEER ( Sept 2018 to Feb 2020)

- **Project Management and Tech Stack Expertise**
- **Stakeholder Communication and Requirements Alignment**
- **Database Life cycle Oversight:**
- **Client Engagement and Project Updates**

### # 02: Zycus. ( 3.8+ years)

#### SOFTWARE ENGINEER / ASSOCIATE TECHNICAL LEAD / TECHNICAL LEAD ( Feb 2020 to Present)

- **Legacy Platform Migration**
- **Implementing Industry Standards**
- **Tech Stack Integration**
- **Team Leadership & Customer Focus**
- **Critical Issue Resolution & Release Management**

## SKILLS AND ABILITIES

- Business Needs Assessment
- Stakeholder Alignment
- Documentation Proficiency
- Agile Development
- Change Management
- Quality Assurance
- Version Control
- Refactoring Expertise
- Bug Resolution
- Deployment Automation
- Performance Monitoring
- Cross-functional Collaboration
- Communication Skills
- Task Coordination
- Testing Strategies
- Test Automation
- Defect Tracking
- Troubleshooting Expertise
- Root Cause Analysis
- Post-Deployment Support
- Release Management

## TECHNICAL SNAPSHOT

### Languages,Framework/Technologies

Angular (2+ to 14), JavaScript, Node.js, Express.js, NgRx, RxJs, CSS, SCSS, Java, Spring, Spring Boot, Hibernate, JPA

### Database

PostgreSQL

### Operating Systems

Windows.

### Tools and Utilities

Postman,VS Code, Dbeaver, Git, IntelliJ, Dynatrace.

### Web Designing

Bootstrap, HTML, CSS.
